OPINION

Pursuant to 28 U.S.C. § 2254, petitioner filed this habeas-corpus petition. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that the petition be dismissed because the required permission has not been obtained from the Eleventh Circuit Court of Appeals. Also before the court are petitioner's objections to the recommendation. After an independent and de novo review of the record, the court concludes that the objections should be overruled and the magistrate judge's recommendation adopted.

An appropriate judgment will be entered.

DONE, this the 25th day of September, 2018.

/s/ Myron H. Thompson
UNITED STATES DISTRICT JUDGE
